"She and Matt don't need a legal binding to prove their love to each other. They have a strong commitment, and it works for them."

TEYANA & IMAN

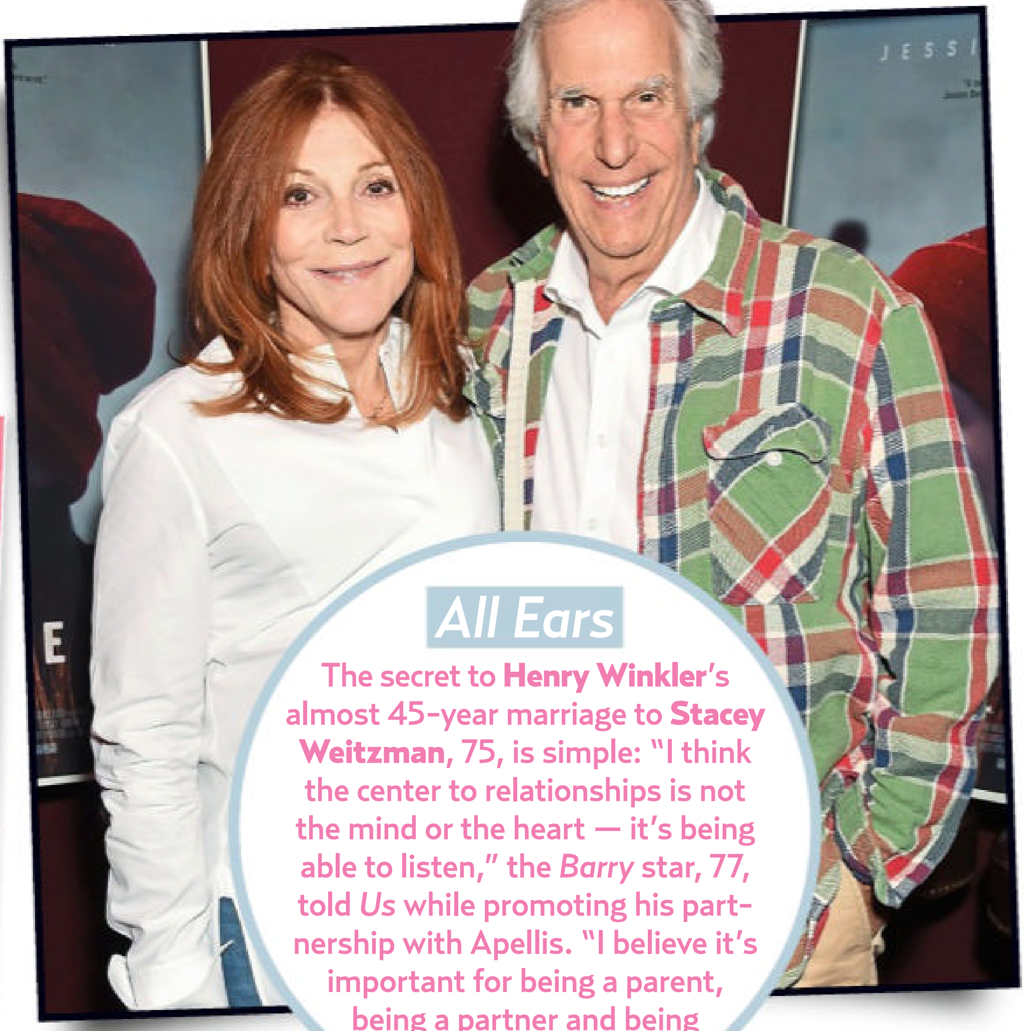
Laid-back Love

When it comes to having fun in their six-year marriage, **Teyana Taylor** and **Iman Shumpert** keep it low-key. "We love to play basketball and dance with our kids [Junie, 7, and Rue, 2]," the actress, 32, tells *Us*, adding that when they get alone time, the former NBA player, also 32, will usually cook up some mac 'n' cheese. "I'm not the type to need fancy dinners or wining and dining. Spending [our] free time [together] is what I really love to do."

HAYLEY & BECCA

Major Milestone

This May marks one year since **Hayley Kiyoko** and **Becca Tilley** went public with their romance after dating on the DL for four years. "They both have surprises for each other to mark the anniversary, one is a trip, and the other is a secret!" a source tells *Us*, noting that the last 12 months have been "blissful" for the musician, 32, and the *Bachelor* alum, 34. "They make each other laugh constantly and are excited for what's in store."



All Ears

The secret to **Henry Winkler**'s almost 45-year marriage to **Stacey Weitzman**, 75, is simple: "I think the center to relationships is not the mind or the heart — it's being able to listen," the *Barry* star, 77, told *Us* while promoting his partnership with Apellis. "I believe it's important for being a parent, being a partner and being a grandfather."

A DAY IN MY LIFE

Steven Krueger shares his daily routine with *Us!*

7:00 A.M.

BUDDY SYSTEM When Krueger is in L.A., he jump-starts his mornings with circuit training alongside his friend Will. "I haven't gone back to a gym since the pandemic," the *Yellowjackets* star tells *Us*. "This is way more fun and gets me energized."

9:30 A.M.

SHEDDING LIGHT Next, he sets the scene for work commitments. "Traveling a lot for filming means living in new places," the actor, 33, explains. "One of the first orders of business is figuring out the best spot to do virtual meetings and interviews."

12:00 P.M.

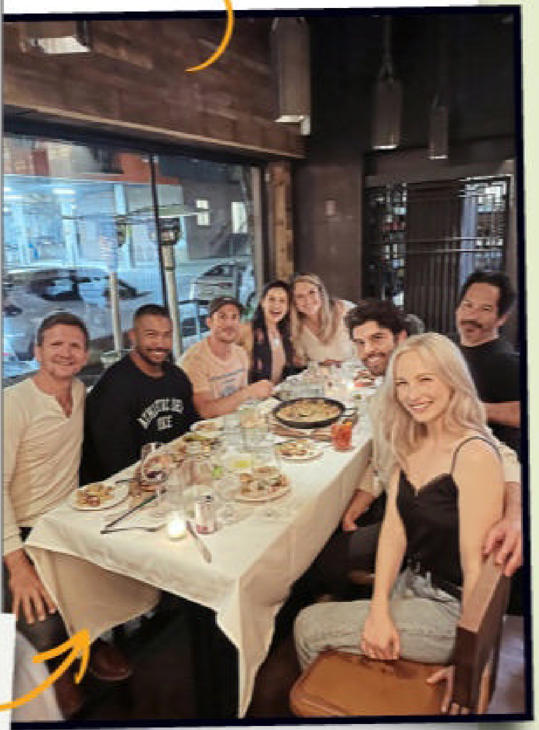
MODEL BEHAVIOR "Photo shoot time, a.k.a. the few hours of the day when I dress up in clothes I can't afford and do the silliest things imaginable," he quips. "Somehow it works, or so they tell me."

TUNE IN!

Yellowjackets airs Sundays at 9 P.M. ET on Showtime.

3:00 P.M.

SCREEN SAVER For a mid-day recharge, "I grab an iced tea at my favorite coffee shop and FaceTime with my niece, Kensington, after she gets out of school," the *Roswell, New Mexico* alum shares. "Pretty hard not to smile looking at that face."



7:00 P.M.

SOCIAL GATHERING Krueger heads to dinner with some old friends and coworkers: "We've all moved on to new projects, but we still jump at the opportunity to catch up any chance we get!"

10:00 P.M.

RESTING ASSURED Back at home, Krueger chills out with "cozy clothes, a cup of sleepy tea and some dark chocolate," he tells *Us*. "I watch an hour of TV, then I read for 30 minutes to let my brain wind down before I crawl in bed."

"There's a lot of healing that needs to get done for the two of them to get back to a place where they were," says a source.

WILLIAM & HARRY

Royal Reunion

All eyes will be on the feuding brothers when they attend their father's coronation ceremony

It's no secret that tension's been at an all-time high between **Prince William** and **Prince Harry** following the release of Harry's memoir, *Spare*, earlier this year. But on May 6, the brothers will come face-to-face at **King Charles III**'s coronation — a move that some hope could be the first step in healing old wounds. "They both have their issues with each other. But the fact that William supported Charles' decision to invite Harry to the coronation gives a glimmer of hope that the brothers will talk or at least make some kind of progress when it comes to building bridges," an insider tells *Us*, adding that even though communication between William, 40, and Harry, 38, "has been slim," they've both agreed to keep the peace. "This is a nerve-racking time for them. They know everyone's talking about their estrangement, and they're both extremely sad about the position they find themselves," adds a source. "But neither of them would dream of causing a scene or making any type of fuss on their father's big day. William's committed to being polite and cordial if and when he runs into his brother. And Harry, for his part, will be equally courteous."

Here Come the Brides!

Us has all the details on **Sofia Richie**'s and **Simone Biles'** weddings

PRECIOUS MOMENTS

On April 22, **Sofia Richie** said "I do" to music exec **Elliot Grainge**, 29, at the ultraluxe Hotel du Cap-Eden-Roc on the French Riviera. "It couldn't have been more special," says an insider, adding that it meant "the world" to Sofia, 24, to have her friends and family there. Her sister, **Nicole**, "was so supportive, helping Sofia get ready and putting on her dress. And when her dad [**Lionel Richie**] walked her down the aisle, he was beaming." Adds the source: "It was a picture-perfect day from beginning to end."

A SIMPLE AFFAIR!

Jonathan Owens and **Simone Biles** are officially husband and wife after tying the knot at a Houston courthouse on April 22. "They had to get married in the States [prior to their destination wedding in a few weeks], so they decided to make a moment out of it," a source says of the NFL player, 27, and the gymnast, 26, who enjoyed a luncheon afterward with a few close friends and relatives. "The theme [of their larger celebration] is 'modern fairy tale,' and Simone has been heavily involved in the planning. It's looking like all her dreams are coming true."

"They truly belong together," says a source.

Bright Future

It's been two years of pure bliss for **Renée Zellweger** and beau **Ant Anstead**, 44. "They had a wonderful anniversary [on April 23] and spoiled each other with sweet gifts," an insider tells *Us*, adding that the actress, 54, and TV host are "super excited" about their next chapter and moving into their new home together. "Renée's never known love like this before, and Ant adores her too. They're just a lovely couple." According to a source, marriage is definitely on the table: "I wouldn't be surprised if Ant proposed this year, and of course, Renée would say yes. Officially committing to Ant just feels right."

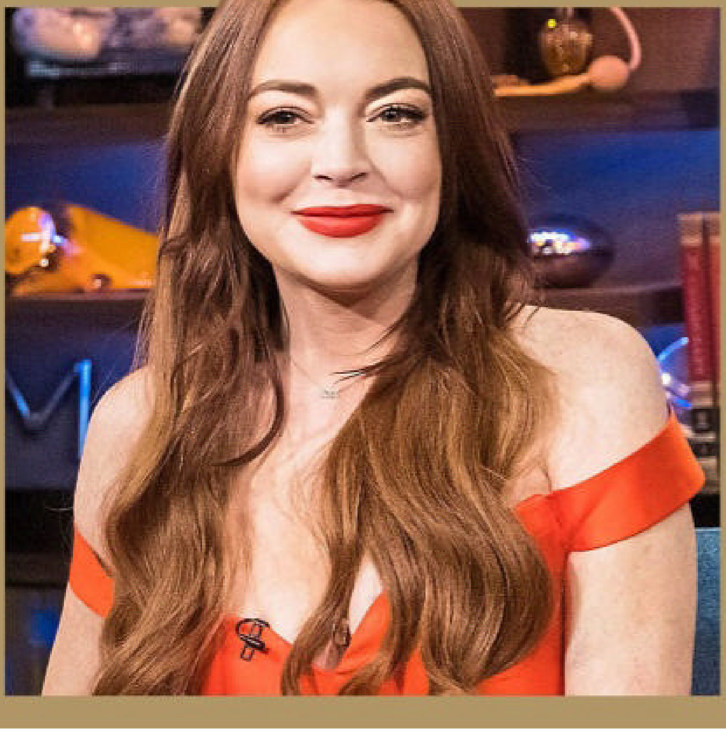
ALI & BILL

It's On!

A match made in comedy heaven! **Ali Wong** and **Bill Hader** are officially a couple after briefly dating this past fall. "They're actually perfect for each other. They have a lot in common: they both have kids, they both have warped senses of humor and their chemistry is apparently off the charts," an insider tells *Us* of the *Beef* actress, 41, and the *Barry* star, 44, who've known each other for years. "They were friends first, but once Ali became single [in spring 2022], the idea of dating became a possibility," explains the insider. "They hooked up last year, but had too much going on work-wise, so they ended it." Once their schedules freed up, Wong and Hader started talking again. "They were both at a good place in their lives and decided to give it another shot," shares the insider. "They're taking it one day at a time. At this point, it's all about having a connection, which they do, and having some fun."

Hader and Wong were seen packing on the PDA while enjoying a stroll in Brentwood, Calif., on the actress' April 19 birthday.



Waiting Game

With her baby shower in the books, the countdown to motherhood has begun for **Lindsay Lohan**. "She's been exercising, working, cooking and living a normal life," a source tells *Us* of the *Mean Girls* actress, 36, who recently returned home to Dubai with hubby **Bader Shammas**, 35, to await the late-July arrival of their little one. "Lindsay plans to give birth there. Her family will come [beforehand] and then help take care of the baby." According to the source, Lohan can't wait: "She's been having fun shopping for baby clothes [and] is really happy."

JESSICA SIMPSON

Ready for an Encore

Jessica Simpson is a woman on a mission: "She's been trying to relaunch her acting and singing career," a source tells *Us* of the former pop star, 42, who was known for topping the music charts and starring in massive films like *The Dukes of Hazzard* and *Employee of the Month* in the early aughts. "Jessica's had amazing success with reestablishing her brand and her clothing and shoe lines, but not as much recently with music or acting, so she's been really working on that." While the source says it's "been stressful" for Simpson, they insist she's willing to do whatever it takes. "Jessica's met with producers so she can get a new surge in [the entertainment industry]," explains the source. "So far, she hasn't found the right people to work with, but she's determined and super focused."

Time to SHINE

Shake it off! **Taylor Swift** is too busy living her best life to wallow over her recent breakup from actor **Joe Alwyn**

BY JAIME HARKIN

Alwyn took calls while strolling in London on April 20 — his first sighting post-split.

FROM LEFT: BACKGRID; CAROLINE BREHMAN/EPA-EFE/SHUTTERSTOCK

On April 20, Taylor Swift hit the streets of NYC surrounded by her girl squad, including Gigi Hadid, Blake Lively and sisters Alana, Danielle and Este Haim. Heading to dinner before hitting the private club Zero Bond, the ladies looked as fashionable as ever — but newly single Swift stood out among the rest in a sexy, spaghetti-strap Simkhai minidress, matching black sunglasses and her trademark crimson red lips.

Multiple sources tell *Us* that Swift is doing surprisingly well following her split from 32-year-old British actor Joe Alwyn after six years of dating. When she's not catching up with pals, the "All Too Well" singer, 33, has been killing it onstage during her sold-out, 52-date Eras Tour, which kicked off in March. "Taylor is mourning the end of her relationship, but the tour couldn't have come at a better time. It's just what she needs to keep her spirits up," shares a source, adding that the die-hard romantic still believes she'll find her happily ever after eventually. "Taylor will

With reporting by Travis Cronin, Rick Egusquiza, Sarah Jones & Andrea Simpson

never give up on love," the source says. "That will never change."

A source says Swift and Alwyn had "grown apart" and were "on two different timelines."

END GAME

The breakup was a shock to Swift's fans. She and Alwyn had kept their romance largely out of the public eye, but engagement rumors — and talk they'd secretly tied the knot — had recently picked up steam. (In typical Swift fashion, the Grammy-winning singer had written multiple love songs about the *Conversations with Friends* star.)

The source says that despite appearances, there were issues behind the scenes. "Taylor and Joe would butt heads," explains the source, noting that the couple often fought over where to put down roots (they split their time between his native London and her mansion in Nashville). "They tried to compromise, but they just couldn't see eye to eye on the big things, and they eventually grew apart."

Alwyn wasn't ready to commit, says a second source — and Swift's patience ran out. "They'd been together for six years — how long is she supposed to wait? Taylor wanted Joe to propose to her, but he just wouldn't, and the holding pattern was killing her." The source also claims Alwyn couldn't get comfortable with Swift's massive fame. "Joe is very shy and never liked all of the attention that came with dating one of the most popular singers in the world. It wasn't Taylor's fault; he never blamed her," says the source. "He just didn't like having to be 'on' all the time."

A third source insists Alwyn was "proud to be dating a superstar like Taylor," adding that "he was happy to take a back seat" but had his own career to focus on as well. "Joe's a highly ambitious, talented actor, and he found himself spending a lot more time apart from Taylor as his career gathers momentum," the third source says. Despite whispers Alwyn had been unfaithful, sources say the exes remain on decent terms. "Joe's not trashing Taylor and still has a whole lot of respect for her," shares the third source. A fourth source adds that there's "no bad blood" between the pair and cheating isn't to blame for the demise of their relationship.

OUT OF THE WOODS

As she picks up the pieces, Swift's been surrounding herself with friends, loved ones — and her cherished fans. Her epic stadium tour will keep her busy throughout the summer. (During the third night of her Tampa show, she told the crowd: "I'm really loving this tour. I've always loved putting on shows, always loved that connection… knowing you have felt the same way… I need you guys very much for my well-being.")

The third source says there's little doubt her breakup with Alwyn will inspire new music. "That's Taylor's

Serving It

Swift has confessed she loves sending secret messages to her fans. Are her stunning Eras Tour looks full of Easter eggs?

BRIDE VIBES

Before news of Swift's split from Alwyn, fans wondered if she was cryptically revealing that they'd secretly tied the knot by wearing this cream-colored Alberta Ferretti gown.

CRYSTAL CLEAR

Swifties are speculating she sang only one song from *Speak Now* (she belted out "Enchanted" in this Nicole + Felicia ballgown) because she'll be releasing the rerecorded *Speak Now (Taylor's Version)* next.

SUPPORT SYSTEM

That's what friends are for! Swift is especially grateful for her close pals right now. In addition to her recent girls' night out with Hadid, Lively and the Haim sisters, her longtime bestie Selena Gomez was spotted dancing the night away at Swift's Texas show on April 1, and Lively's husband, Ryan Reynolds, recently showed his solidarity by appearing to unfollow Alwyn on social media. "Blake and Ryan have been inviting Taylor over and taking her out to dinner to take her mind off the breakup," says a source. (Adds a second source: "Taylor's been close with Blake and Ryan for years, so having their support means everything.") The first source notes Swift is having a blast reconnecting: "Taylor didn't see as much of her friends when Joe was around, so that has definitely been a big positive."

GOMEZ

LIVELY & REYNOLDS

"She's been spending time with friends she hasn't been able to see in a while," a source says of Swift (out in NYC on April 20).

creative and emotional outlet," the source explains of the songstress, who's known for alluding to her exes through song. For now, the source adds, "she's staying positive and figuring out her next steps."

BEGIN AGAIN

Dating isn't on the horizon just yet. "Taylor hasn't given up on finding the right person down the line, but it's a little early to be jumping back into the dating scene," explains the third source, noting that Swift would love to settle down in the future. "Taylor tries not to think too far ahead, but it's fair to say that in five years' time, she'd love to be married and a mom."

Still, she's refusing to rush anything. "Taylor's handling the breakup really well and feeling very optimistic about [what's to come]," a fifth source tells *Us*. "Taylor truly believes that whatever is meant to be will be. And she knows everything happens for a reason. She's still adjusting to single life and is happy enjoying her freedom," continues the source. "She isn't thinking about getting into another relationship anytime soon." Adds the first source: "Yes, the breakup sucks, but all in all, Taylor is excited for the future and feeling very optimistic about what's ahead." US

Swift's followers believe her multihued mani represents each one of her 10 albums — dark blue for *Midnights*, red for *Red* and the blue-green shade for her self-titled first record.

STARTED FROM

Before making it big, these celebs got by on unglamorous gigs

TIFFANY HADDISH

Before her career took off as one of the Flossy Posse in *Girls Trip*, the funny lady manned the gates as part of the ground staff for Alaska Airlines. "My goal was always to bring happiness and joy to people," said Haddish, whose over-the-top boarding announcements got her moved to the baggage department — specifically, the lost-and-found counter. "And those," she noted, "are some super unhappy people."

BILL HADER

Spoiler alert! While attending college in Arizona, the *Barry* star got fired from his job at a movie theater after he revealed the end of *Titanic* to a group of spoiled sorority sisters. "They were being really rude to me," he explained. "So, as I tore the tickets, I said, 'By the way, the boat sinks at the end, Leo dies… It's great; you think he's sleeping, but he's frozen! Oh, and the old lady throws the jewelry in the ocean. Enjoy the movie.'"

MARGOT ROBBIE

The Aussie actress juggled three jobs as a hardworking teen Down Under — cleaning houses, tending bar and making sandwiches at Subway. "I think I was pretty good at it because I really spread everything out to the edges evenly," recalled the *Babylon* star, whose high standards make it hard to return as a customer. "It kills me. I don't go often anymore because I watch them make it badly — and I'm upset."

JAMES CORDEN

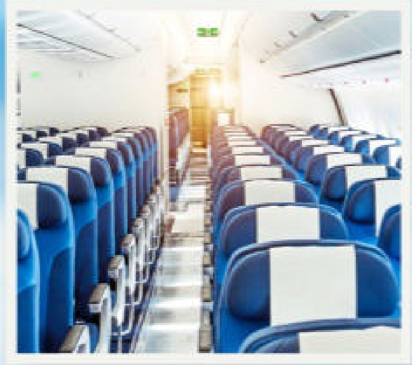
When he was 17, the *Carpool Karaoke: The Series* host worked at an Italian restaurant, where he used to steal booze so he'd get invited to cool parties — and once got caught trying to sneak out the door with 50 bottles of beer. "I was a terrible employee, really," he said. Corden, who had to publicly apologize for yelling at an NYC server last year, is lucky he never got chewed out by a customer!

RACHEL MCADAMS

In her pre–*Mean Girls* days, she was a budding children's theater director who took a summer side hustle at McDonald's. But McAdams was a slowpoke when it came to serving up fast food. "I was not a great employee," said the actress, who admitted she dawdled and daydreamed on the job. "And I had a little bit of an OCD thing with hand-washing. They were like, 'Hey, the drive-through's backing up. Stop washing your hands!'"

GABOUREY SIDIBE

Her breakout role was in 2009's *Precious*, but before that, Sidibe was earning a decent wage as a phone sex operator. "I was actually pretty good at it," recalled the actress. "I knew that when people were asking me, 'So have you had any acting training?' my acting school was on the phone, pretending to be some super-young 21-year-old college girl named Melody. But I felt too stupid to say it."



TAN FRANCE

High and low! The *Queer Eye* style guru's first job was as a flight attendant for Britannia Airways. The stint was supposed to be for six months, but he lasted only two. "I felt like a glorified waiter," confessed France, whose last leg was a flight where drunken passengers "started asking for coffee because I wouldn't give them alcohol anymore. Because they had been so rude to me, I finally barked back, 'Get your own f**king coffee!'"

HARRY STYLES

He had yet to become an international heartthrob with One Direction, but Styles was already melting hearts as a 14-year-old while working at a bakery in the little English town of Holmes Chapel. "The shop suddenly had an influx of girls when Harry worked here," his boss said of the future Grammy winner. "Sometimes there would be 12 of them pouring in at one time." Sweet!

"The tequila makes a huge difference," she notes. "I go for Patrón because it's made from only three of the highest-quality ingredients — agave, yeast and water." Pour *Us* a glass!

Nacho Average Torta Sliders

SERVES 12

Put a unique spin on traditional nachos with **Guy Fieri**'s festive bites. "Everything's better when you slider-fy it!" the *Diners, Drive-Ins and Dives* star tells *Us*, promising that his torta sliders are the "ultimate" crowd-pleaser. "They bring together bold, spicy Mexican-inspired flavors with sweet, fluffy King's Hawaiian Rolls," he continues. "This makes them perfect for your Cinco de Mayo celebration!"

INGREDIENTS

1 package (12-pack) King's Hawaiian Original Sweet Rolls
¼ cup garlic butter, melted
8 oz Mexican chorizo, loose
½ cup refried black beans
½ cup queso sauce
½ cup shredded Mexican blend cheese
⅓ cup pico de gallo
½ cup tortilla strips (or crushed tortilla chips)
½ cup guacamole
2 tbsp chipotle mayo

INSTRUCTIONS

① Heat oven to 350 degrees.

② Using a long bread knife, carefully slice the entire loaf open to create a sheet of connected slider tops and a sheet of connected slider bottoms. Brush both cut sides with melted garlic butter.

③ Place both sheets of rolls on a wire rack and bake in oven for 5 minutes until golden.

④ Brown chorizo in a nonstick sauté pan over medium heat, breaking up the chorizo into small pieces with a wooden spoon.

⑤ Warm refried beans until pliable. Smear beans on the bottom sheet of sliders from edge to edge.

⑥ Sprinkle browned chorizo out on top of beans, then drizzle over queso sauce liberally. Sprinkle with shredded cheese, then place back into oven until cheese has melted, about 3 minutes.

⑦ Remove from oven and top with pico de gallo and crispy tortilla strips.

⑧ On the cut side of the sheet of slider tops, smear with guacamole and drizzle with chipotle mayo.

⑨ Flip the top sheet onto the bottom sheet and serve!

It’s got the classic colors of the agua frescas at old-school taco stands with the added kick of a little cayenne and lots of fresh lime juice.” Plus, notes the actor, “Folks who drink alcohol can always add a little smoky mezcal.”

US MUSTS

"I'm not doing any a cappella in this [film], which is a really exciting departure for me," jokes Camp.

Welcome To The Dark Side

Anna Camp opens up about starring in the psychological thriller *From Black*

You've never seen **Anna Camp** like this before: In *From Black* (April 28 on Shudder), the *Pitch Perfect* star portrays a troubled woman who goes to extreme lengths to bring back her child following his disappearance. Camp talks about the horror film with *Us*.

Q: What can you share?

I play a mother and recovering addict whose son goes missing. Five years later, she's given this crazy, creepy opportunity to reconnect with him or get him back. She doesn't know what that entails, but it involves some supernatural things. It's a very moving story as well: It's about grief and dealing with feelings of guilt and shame, and how far you'd go to make up for a mistake you made in your past.

Q: This is your first role in a horror movie. Was it challenging?

This is something that I've been hungry to do. I've always kind of played very similar characters. I found myself excited to go to work [so] I could dive into a role that was really going to showcase my talent in a way I don't think I've gotten to do before.

Q: Which of your former projects would you like to revisit?

I loved playing Sarah Newlin on *True Blood*, and as far as I know, she's not dead yet. She's still chained up in the bottom of that basement of Fangtasia, so I'd love to see what's happening down there with her, Pam and Eric. I [also] don't know what any of the Bellas would be up to right now, but I think we're all very curious to see what they're doing as they get older.

Endless Pasta-bilities

Salute! *Ciao House* (Sundays on Food Network) features 10 aspiring American chefs facing off in Tuscany to win the coveted prize: training alongside Italian culinary artists. Hosts **Alex Guarnaschelli** and **Gabe Bertaccini** give *Us* the lowdown.

PRESSURE COOKERS In *Ciao House*, the contestants aren't just battling against each other — they're also sharing a roof, causing the group to become "a dysfunctional familia," Bertaccini says. Alliances, rivalries and the opportunity to eliminate their teammates only add more layers to the competition: "It's a little dramatic."

THAT'S AMORE Though Guarnaschelli teases that sparks flew between a few contestants ("I saw some romantic [moments]"), the competition remained fierce. And luckily, she and her cohost got along great: "Gabe softened my rough edges," she adds. "We hit it off immediately."

SERVING UP LAUGHS

Former Nickelodeon star **Kel Mitchell** dishes on teaming up with **Kenan Thompson** in *Good Burger 2*

Welcome (back) to Good Burger! During his appearance at 90s Con, **Kel Mitchell** filled *Us* in on what to expect from the 1997 comedy's sequel.

DYNAMIC DUO As excited as fans are for Mitchell and Thompson to reprise their roles as Ed and Dexter, nobody is looking forward to it more than they are. "It's a brotherhood," Mitchell shares, noting reuniting with his *Kenan & Kel* costar is "surreal." The pair are also relieved the secret is out: "We've known about it for a long time [and] are making sure that it's super funny."

SKETCH OF THE IMAGINATION Thompson isn't the only former costar Mitchell keeps in touch with — he and the *All That* cast have a group chat: "[There's] a lot of fun talk about things we did back in the '90s, hanging out and what we have going on now."

THINGS YOU DON'T KNOW ABOUT ME

BY **Skye Townsend**

The funny lady steps out of character to share some personal facts with *Us*

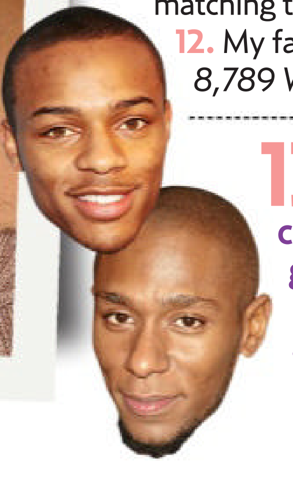
A Black Lady Sketch Show airs Fridays at 11 P.M. ET on HBO.

1. I had a terrible fear of driving for a long time. My mom passed down her old Lexus SUV to me once I finally conquered my fears. I have yet to invest in another car. If it ain't broke, don't fix it!

2. My favorite episode of *A Black Lady Sketch Show* is season 3, episode 3. That's when I really came into my own as a cast member.
3. My favorite meals to cook are shrimp tacos and vodka sauce penne.
4. My favorite items in my wardrobe are my flowy pants!
5. *Simon Birch*, *Austin Powers* and *B.A.P.S.* are my top movies.
6. [I love my] bedroom because me and my firm mattress got a special thang goin' on.

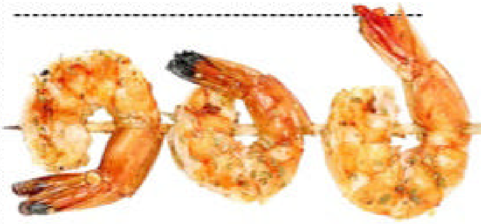
7. One beauty product I can't live without is brown lip liner.

8. On a typical Saturday night, you'd find me either at home in bed or having a Paloma at my favorite low-key bar.
9. On a Sunday afternoon, I'd probably be on a hike to get in my 10,000 steps.
10. One place I'm dying to go to is Jamaica for the food, the water and the men!
11. My father, **Robert Townsend**, and I are truly best friends and know way too much about each other. My favorite memory with him is probably when we secretly got matching tattoos.
12. My favorite book is *8,789 Words of Wisdom*.



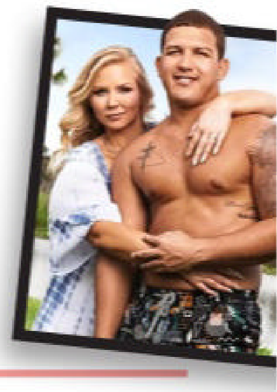
13. My celebrity crushes growing up were Lil' Bow Wow and Mos Def.

14. My alternate profession would be a makeup artist.
15. The song that brings back the best memories is "I'm Sprung" by **T-Pain**.
16. My go-to karaoke song is "No Woman, No Cry."
17. My ideal comfort food is soul food or Cuban food. On a lazy day, Popeyes will do!



18. I'm really good at headshot photography, painting portraits and making the best grilled shrimp on Earth.

19. To decompress, I shower, immediately get into bed and catch up on funny videos that friends have sent me.
20. One of the [*Black Lady Sketch Show*] camera crew members gave me a patch from their department to sew onto a jacket as a keepsake, which was really special.
21. Every time **Robin Thede**, **Gabrielle Dennis** and I shoot the biblical sketches, we are in stitches. The improv is so fun to watch unravel.



22. *Love After Lockup* and *90 Day Fiancé: Love in Paradise* are my guilty pleasure TV shows.

23. My No. 1 beauty tip is you'll always be prettier if you're kind.
24. The comedians I admired the most growing up were **Maya Rudolph**, **Amy Poehler**, **Kym Whitley**, **Carol Burnett**, **Countess Vaughn**, **Fred Armisen**, **Mike Myers** and **Jim Carrey**.
25. I'd love to do a biopic that requires singing or play a villain in a Disney movie. Creating my own projects is also at the top of my list.
